Invitation to IUMRS-ICEM 2026

February 21, 2026

Dear Prof. Yasuhiko Iwasaki,

On behalf of the Thailand Materials Research Society (MRS-Thailand), in partnership with the International Union of Materials Research Societies (IUMRS), we are pleased to invite you as **the Keynote Speaker** of **the International Union of Materials Research Societies– the 19th International Conference on Electronic Materials (IUMRS-ICEM2026)** to be held during **June 28 – July 1, 2026** at Convention Center, the Empress Hotel, Chiang Mai, Thailand.

IUMRS-ICEM 2026 focuses on advances in electronic and functional materials, featuring 13 technical sessions, including semiconductors and photonic devices; polymers, biomaterials, biosensors, and flexible and wearable electronics; ferroelectric, piezoelectric, quantum, and AI-driven materials and technologies; solar cells, batteries, and energy harvesting and storage systems; advanced materials processing, packaging, and characterization; rare earth and critical materials; recycling and environmentally friendly processing; and industrial perspectives that bridge materials research with innovation and applications. In recognition of your outstanding contributions, we would be greatly honored if you would deliver a keynote lecture in **Symposium 2: Polymers, Biomaterials and Medical Devices** and serve as a session chair. The details of conference can be found on the conference website: https://www.iumrs-icem2026.org.

Regarding your trip, the organizing committee is pleased to offer **support the hotel accommodation for up to 3 nights (June 28 – July 1, 2026)** at the conference hotel. Your registration fee will be waived. We warmly encourage you to bring your students and members of your research team to attend and contribute to the conference. Please also kindly extend this invitation and share conference information to colleagues. Further details regarding the conference program and schedule will be provided upon your kind acceptance. Thank you very much for considering our invitation. We sincerely hope you will be able to join us and contribute to the success of IUMRS-ICEM 2026.

Upon your kind acceptance of this invitation, we kindly request that you return the attached acceptance form and proceed with registration via the conference website to assist us with administrative and program arrangements. Should you have any questions or require further information, please do not hesitate to contact us via email: iumrs.icem2026.thailand@gmail.com.

Best regards,

Prof. Dr. Santi Maensiri
President, Materials Research Society of Thailand
& Chairman for IUMRS-ICEM 2026 Organizing Committee

June 28 – July 1, 2026, at Convention Center, the Empress Hotel, Chiang Mai, Thailand

Invitation to IUMRS-ICEM 2026

February 21, 2026

Dear Prof. Tanaka Hirofumi,

On behalf of the Thailand Materials Research Society (MRS-Thailand), in partnership with the International Union of Materials Research Societies (IUMRS), we are pleased to invite you as **the Keynote Speaker** of **the International Union of Materials Research Societies– the 19th International Conference on Electronic Materials (IUMRS-ICEM2026)** to be held during **June 28 – July 1, 2026** at Convention Center, the Empress Hotel, Chiang Mai, Thailand.

IUMRS-ICEM 2026 focuses on advances in electronic and functional materials, featuring 13 technical sessions, including semiconductors and photonic devices; polymers, biomaterials, biosensors, and flexible and wearable electronics; ferroelectric, piezoelectric, quantum, and AI-driven materials and technologies; solar cells, batteries, and energy harvesting and storage systems; advanced materials processing, packaging, and characterization; rare earth and critical materials; recycling and environmentally friendly processing; and industrial perspectives that bridge materials research with innovation and applications. In recognition of your outstanding contributions, we would be greatly honored if you would deliver a keynote lecture in **Symposium 9: AI-driven Electronics, IoT and Digital Technologies for Next-generation Innovations** and serve as a session chair. The details of conference can be found on the conference website:https://www.iumrs-icem2026.org.

Regarding your trip, the organizing committee is pleased to offer **support the hotel accommodation for up to 3 nights (June 28 – July 1, 2026)** at the conference hotel. Your registration fee will be waived. We warmly encourage you to bring your students and members of your research team to attend and contribute to the conference. Please also kindly extend this invitation and share conference information to colleagues. Further details regarding the conference program and schedule will be provided upon your kind acceptance. Thank you very much for considering our invitation. We sincerely hope you will be able to join us and contribute to the success of IUMRS-ICEM 2026.

Upon your kind acceptance of this invitation, we kindly request that you return the attached acceptance form and proceed with registration via the conference website to assist us with administrative and program arrangements. Should you have any questions or require further information, please do not hesitate to contact us via email: iumrs.icem2026.thailand@gmail.com.
